Tribute Wall

“ *Glen and i had fun together in band and on weekends in high school. I have missed seeing him since graduation.*

I met Glen through my sister Kim who was his neighbor. Whenever I visited Kim from Texas, I spent many evenings with Glen. I enjoyed his humor and hospitality. More importantly, I appreciated his knowlege of the community. Glen was one of those Georgia people I would call a friend. I was shocked and saddened to learn he passed last week. I will truly miss him. Our block is that much emptier without Glen. Damn.
