“ I just learned of Mrs. Daisy Smith passing today. My family and I are heartbroken. I want to offer my condolences to her family. I am so sorry for your loss.

I was blessed to meet Daisy and her husband Sanford in the 90's. Our paths crossed at Douglas Hospital where I am a nurse. We instantly became friends and then realized we were neighbors. We have remain in contact throughout the years. It's not often you meet a patient that becomes so special in your life. She watched both my children grow up. They always love to visit with her. We loved bringing her fresh eggs.

I will always cherish the Christmas she shared with us a few years ago.

My last visit with her, she looked a little more tired than usual but she had her beautiful smile. We talked about how she was blessed with wonderful memories and clear thinking. She was so thankful for all her blessings.

Her family meant the world to her and she couldn't wait to show me her newest photos. I just wish that covid precautions hadn't limited my visits this past year.

Please know we are close by if any of you need anything.

Daisy was and always will be like family,

A big part of our lives. She will be greatly missed.

Our deepest sympathy to your all.

Love,

Becky, Mark. Victoria and Will Earley

“ *Aunt Daisy! What a joy and delight!
I'll NEVER forget her learning to drive and to pump gas. Lord have
mercy! I remember as a child our family driving all the way to
Atlanta from south Georgia on a whim to see her....and SNOW!*
