“ Dale and I worked together. My favorite time was after a meeting in some part of the world, sitting down to a meal and the conversation over family. Dale lite up like it was Christmas whenever he spoke of his wife, kids, and grandchildren. He loved being a husband, dad, and grandfather and took so much pride in his wonderful family. May all the joyful memories bring you comfort during this time. Dale will be missed and I wish the family my deepest condolences. With Sympathy, Lisa
