Cecelia...our hearts are broken, words we cannot express of our great loss of uncle Dales passing. Our family is so very thankful that you came into uncle Dales life in his later years. We do know that the love you both shared, sustained his life..for without this, we believe we most likely would have lost him much sooner. Many, many times our father Perry (Dales brother) and uncle Dale had conversations with one another that they were both so thankful to our precious God for giving us the ability to love more than one person in our lives...they were referring to you Cecelia. We personally witnessed many times the care and joy you brought into our uncle's life. We thanked God for you then and we thank God for you now. All that we do here while on this earth, our actions, words, thoughts are all marked and we will have to account for these things Nothing goes unnoticed...with that being said, your devotion and loving care you showered uncle Dale with, has not slipped from God's all seeing eye. In that day..you will not be forgotten. Thankyou from the bottom of our hearts for loving our uncle whom we cherished. P.S. the most precious gift I received from uncle Dale was on April 6th. I received my birthday card from him on my birthday. He had written the most beautiful words to me and sent the card the day before we lost him. I will cherish this always. God bless you much Cecelia..your family here in Colorado Springs, CO❤️❤️

“ When I first married Debbie, Dale use to tell me that I better take good care of his little girl. I was scared at first what he might do to me. As the years rolled on he started to treat me like a son. I'll miss you Dad. Love Larry

“ *I was sorry to hear about Dale's death. He was one of the kindest men I knew. He made everyone feel loved and welcomed. I never heard an unkind word from him to anyone. When dad and mom were sick, he would come visit, bring his guitar, and play for them, as well as sing the old hymns with Momma, then prayed with them. After Dad passed away, he would still come keep tabs on Momma. My mother's face would light up every time she saw him, He would visit her at least once a week when she was in rehab, always bringing flowers, candy or a devotional. He truly spread love wherever he went. Prayers for peace for you all.*

“ Such an honor and blessing to share weekly in discussing God's Word during our life group. Your unique way of leading discussion with such passion and reverence for our Lord and Saviour Jesus Christ will never be forgotten. The priceless way you have of weaving hymns and your favorite gospel songs into the discussion is remarkable and can't be duplicated. A smile comes to my face thinking of you rejoicing and singing all day long now in the presence of Jesus!!! Prayers of love to you Cecelia and the rest of the family!! ~Valencia Jones

Our family is so heartbroken from the news of our dear Uncle Dale's passing. It is a comfort to know he is now with his brother Perry (our dad), the rest of his siblings, and his many beloved family members. The Lord surely welcomed him with open arms and a smile for his faithful work on earth in HIS name. I will surely miss our wonderful impromptu phone conversations, laughs, sharing of stories and tears, and deep prayers.

Cecelia, thank you so much for the care, the laughs, and love you brought to our Uncle Dale in his last years. He truly loved you and it was a comfort and blessing for us to witness his joy with you. Love, Aletha

“ Cecilia,
Know that you and all of the family are in our thoughts and prayers. When we ate breakfast together Sat morning, we never would have thought that was the last time we would see Dale this side of heaven.
May God's presence and His love enfold you and bring you great comfort in the weeks ahead. Dale was always sharing his love of the Lord every chance he got. May it comfort you knowing he is home with his Lord and Savior.
Love and prayers,
Jimmy and Martha Miller

“ Word cannot express the loss I feel for Dale. He was such a very good customer of mine and especially a friend. When I was working at Synovus he and I would have many talks about personal things in our lives. He would always support me and give me his utmost wisdom. He and I had many lunches together and he would sit in my section at Longhorn where we would chat more. He was such a beautiful man and loving soul. Dale I will miss you. Thank you for all you did for me. Sincerely, Amy Menke
