“ To a good man and my best friend ! For those of us who were lucky enough to know Danny Bithell, we now share in the pain and sorrow of his passing. He will now Rest In Peace, in our hearts and live in our memories forever.

Danny was a man of honor, and compassion, a man of GOD and his son our Lord Jesus !!! Danny was always a friendly competitor and enjoyed competition. On the golf course, league bowling, church league softball, fishing, ping pong, you name it...He was fun to be with, and an old school gentleman. He was dependable and trustworthy, always there when you need him. I first met , Danny in 1973, at Palmetto High School, I was on the gym floor, unconscious, after trying a dismount on the parallel bars....when I came to, this guy named Danny was kneeling over me and holding a towel to my busted head until the ambulance got there... We have been the best of friends ever since. That was just one example of who Danny was, and there are many....To his loving family, and his beloved wife, Robin, our heartfelt condolences and prayers. Everyone who knew Danny, should applaud him for a life well done, a standing ovation he deserves...I miss him, until I see him again, hopefully on a golf course...Jon c.

“*Condolences to Robin, Richard, Wendy and the rest of the family. Danny was one of "our gang" when growing up in Palmetto. Playing baseball, basketball, football at Palmetto Park and on the Charles E. Riley courts and fields we had some good times! He was a good guy and a great team mate! God bless his family and give them comfort in their time of grief! R.I.P. Daniel, we will see you again one day my brother!*
