“ Danny always had a smile, handshake or a funny story to share with you. He just never met a stranger nor had an unkind word to speak of anyone. I guess you could say he loved life, and it loved him back tenfold. Sending hugs and prayers to family members and dear friends. Yep, I am gonna miss my childhood buddy. Go rest high on that mountain , dear one. We will see you again 🙏💕😭 some day. Carol Stovall Donovan

*Danny always had an engaging personality and smiles with deep dimples. He always gave it his all when he played football. I was a flute player in the band. Danny made it easier for me to go play at half time. He made foot ball interesting. He will be missed by many.*

*“ I am so sad to hear of Danny's passing. We attended Cascade Heights Grammar School together as well as graduating in 1965 from Therrell High School. We have known each other for over 60 years. I always loved his athletic ability and his humor. May you rest in peace Danny Boy. Linda Shi Tumlin*
