“ *Danny Campbell was always our favorite bus driver!*

One of the teachers I had worked with as her papapro would have me check to see if he was available to drive our class for field trips before we scheduled because we always wanted him and Mr John to be our drivers. He was so great to work with and be around, such a positive, fun attitude. And can I say how much he loved those students and how much they loved him; everyone wanted to ride Mr Campbell's bus.

I will neber forget the sign in his bus "Sit down, shut up and hold!" be it appropriate on not I loved it and remember it still.

My thoughts and prayers to all his family. A great loss but great memories for sure.

“ Danny and I met at The Rock Baptist Church on Sandy Creek Road when we were 5 years old. We remained friends all the way to 77 years old, and we talked every few days, sharing memories. He was almost like a Brother to me. I miss him now, and I always will! Daniel Mayfield.

“ *My deepest condolences and prayers for the family. I've known Danny for approximately 30 years. He was a great friend. We would sit together on his bus almost every afternoon waiting for the kids to board and have conversations about alot of things. Danny was a character to say the least. I know he loved his family and he knew Jesus. I tried several times to get him to church but he would just have me tell his granddaughter Candy hey and that he loved her. He will be missed along with his big bear hugs.*

Sincere sympathy
