

Danny Carden

January 31, 1950 - December 20, 2025

Danny Carden, age 75 of Williamson, Ga. passed away peacefully and suddenly on Dec. 20, 2025. Born January 31, 1950. Danny was a beloved husband, father, grandfather, brother and friend. He was born in Atlanta but he spent his youth in College Park Ga. among his many family and friends. He later moved to Fayette County where he proudly raised his family. After living 34 wonderful years in his home there. God blessed him and sent him to Williamson, Ga. Where he was welcomed into the community and his church family at Harps Crossing Hollonville Baptist Church. God continued his blessings and Danny spent the remainder of his life watching over his children and grandchildren.

Danny became a Master Plumber following in the footsteps of his father, brother, uncle and cousins.

He was able serve the community through his business Danny Carden Plumbing until 2012 when he retired to become Paw Paw to his grandchildren. A job that filled his days with insurmountable pleasures.

Along with being a father and grandfather, some of Danny's greatest pleasures were the years he spent coaching youth baseball and softball. The time spent on and off the fields allowed him to make lifelong friends not only with the players but their parents. Something he cherished till his last breath.

He was preceded in death by his parents Jack and Helen Carden. Danny is survived by his loving wife of 47 years Pat Carden; children Stewart Carden and his wife Kelli Carden, daughter Holly McElwaney and her husband Danny. He also leaves behind his cherished grandchildren Carden McElwaney, Cash Carden, Bo McElwaney and Presley Carden. Danny is additionally survived by his brother Benny Carden,; nieces Layla Mayfield and Elizabeth Good; and many extended family and loved ones who will miss him dearly.

Danny's Celebration of Life and Homegoing Service will be held at Harps Crossing Hollonville Baptist Church on Sunday Dec. 28th at 1:00 pm with lunch to follow at the The Ole Opry House in Hollonville (Williamson, Ga.) immediately after the service.

“ Oh, so sorry to hear of this. Danny rescued me one night in the 1960S in College Park at the ballfield near Woodward when my Mom's car was tampered with. He found a spark plug had been pulled and he fixed it. I had thought so many times to tell him thank you but did not get around to hit. So thoughtful.
