“ Jackie and Family, we were so sorry to hear of your loss. You and Danny were such good neighbors and friends to Mom and Wayne. And also good friends to us. I can't remember how many cars Danny fixed for us. I still remember the day of the fire and Danny telling me how fast Mom ran down the driveway and he couldn't believe it. She ran to y'all for help knowing she would get it. Some good times and some sad times on Burkhead Drive and you both were missed so much when you moved. We hope all the beautiful memories you have will carry you through this difficult time. Much love.
