“ *Darlene and I have been friends for 44 years. We met when she came to work for MetLife. Darlene and my sister were good friends in high school at Campbell. We had an immediate connection. We carpooled together for many years, and shared so many conversations. It is hard to lose a great friend, but I will see her again. My heart is heavy for the loss of such a sweet and kind person. Love, hugs and prayers for Ronnie, and the entire family.*

*I went to school with Darlene and went on school patrol trip to Washington when I first met her. I ran into her on 92 going toward Fayetteville at her house or someone else's, a few years ago. My prayers and thoughts go out to the family. We hope all will prepare for this special day, if you are not saved, we all have to cross this bridge, "Be Prepared."
I made my preparation in 1967.*
