

## Dr. David Noel Allen

September 14, 1950 - February 5, 2023

Dr. David Allen, age 72, of Newnan, GA passed away on February 5. He is survived by his loving wife Linda, his children April (Danny), Tiffany (Justin), and Wesley (Haley), his grandchildren Hunter, Rett, Garrett, Jaylee, and Ezra, and his great grandchildren Nolan and Salem, his brother Norman (Arlene) nieces and nephews. He was a very passionate chiropractor for 40 years and loved helping his patients. David enjoyed singing in the church choir, watching University of Kentucky basketball, reading, playing golf, traveling and spending time with his family. Even though he was most well-known as Dr. Allen, he took the most pride in his other titles... Christ follower, husband, friend, dad, and poppy. Although he will be greatly missed by all who knew and loved him, we know he will be waiting for each us in heaven with a fist bump and a big hug.

A funeral service will be held Monday, February 13, 2023 at 1 o'clock at Flat Creek Baptist Church, 161 Flat Creek Trail, Fayetteville, GA 30214, with Rev. Hugh Kirby officiating. Interment will follow at Forest Lawn Memorial Gardens. The family will receive friends Sunday evening from 5:00 until 7:00 at Parrott Funeral Home and Crematory, 770-964-4800. In lieu of flowers the family requests donations be made to The Potter's House for Women, [www.pottershousedforwomen.com/make-a-donation/](http://www.pottershousedforwomen.com/make-a-donation/)

“ I was first introduced to Dr. Allen by Katie Snyder (a wonderful friend), in 1986 after a car accident that messed up my jaw and knees. It took a lot to gain my confidence, I was really terrified of chiropractors, I'd heard too many horror stories. But it didn't take very long for him to gain my trust and ease the pain in my jaw without surgery. Funny thing is though, he also became my friend. He truly was a caring, very special person. I will miss you Wildcat buddy.

Linda, my prayers are with you always.

“ I first began seeing Dr. Allen about 30 years ago. As I understood it, he was injured when he was young and a chiropractor helped him. He decided that was what he wanted to do with his life, to help people in pain, and he did. I called him Dr. Fixit, because when I or my family or friends went to him with a problem, he fixed it. He was a kind Christian man who will truly be missed. I know he is happy in Heaven singing praises to our Lord.

“ Linda,  
Again, please know that my thoughts & prayers are with you & your family in this your time of need...I will remember Dr. Dave just the way he was the last time I saw him talking about charging me motel rates for the spinalator. I know he'll be giving Mom all the adjustments she wants now. Yet, in heaven, they should both be perfectly healthy & fine. Again, please don't hesitate to call on me if there's anything I can or if there's anything that you or your family need...

“ *Linda and Family. This is so hard to comprehend what has happened.  
David was such a dear person. Everyone loved you both so very much. Nothing I say will make it easier for you. But this one thing I know for sure, he's walking streets of gold, he has been through those Gates of Pearl, he's met Moses, King David, Paul, Mary and Joseph and all the saints that have gone before him.  
Oh the sites he is seeing!! But most of all, he he seeing our Lord, King Jesus!! How happy he is to be home!  
Sending so much love for you and yr family. Gods peace and strength for you all in the days to come!! 🙏❤️*

“ I have known Dr. Bones for 30+ years. He treated my Dad, my late husband, my children and me until his passing. I called him Dr. Bones all the time. He was an amazing man, very caring and both him and Linda were there for me when my husband passed. He was such a gentle man with an amazing voice who genuinely cared for people. He wasn't just my chiropractor, he was my friend. I will miss him with all my heart. Linda, I'm here 24/7 for you.

“ I will miss coming to the office and having our monthly chats. Y’all are amazing at your job. Both of you have always been very accommodating and helpful. Where will we all go now? My dad loved to talk with him each Sunday and listen to the quartet sing. All the years of being in the Living Christmas Tree together. Great memories of him singing and being a king. He was always a joy to be around and talk to. Your ministry you work with will miss him, I know he enjoyed helping with it. Praying for you and the family over the next few weeks and months. Thank you for sharing his dream with him each day and sharing with all of us.

“ David Allen is my brother in Christ. We served in music ministry together for years. Wales Mission Care team, Christmas programs, choir, and praise team. He would always ask me before I sang, “Are you prayed up?” I’d say yes, then he’d smile and give me a fist bump. He had a great sense of humor. He encouraged me way more than he probably realized. Praying comfort and peace for Linda and the entire family. Love, Sonya

“ David was a great friend to so many, caring and talented in so many ways. Always had a smile on his face, and was a great vocalist, as well as his participation in so many of the performances of the Living Christmas Tree at New Hope. He was a great Christian man! Prayers for his family as they go through this difficult time!
