GW

I have known David since he was a teenager. Personable and very intelligent, sorry to learn of his passing. Last time he was in my office he shared that he was trusting Jesus Christ as his Savior. God bless you and your family Phoebe. I pray you find comfort in David's testimony.

“ Phoebe - I know your heart is breaking but God not only Healed David yesterday but he will heal you as well. God tells us to love and to love deeply which you did but with that comes tears because you did love so deeply. David is whole and has now met Jesus face to face. You will meet him again someday.
I remember when we were all at Disney during the KW Family Reunion, and even though David was using the little "wheely" because of a hurt leg, he kept us all in check. He was not only funny but having fun as well. I am glad I got to know him that day. Troy and I are praying for you during these hard days ahead.
