

## David Jefferson Free

November 25, 1941 - April 10, 2026

David Jefferson Free, a beloved husband, father, grandfather, devoted Christian, and accomplished entrepreneur, passed away peacefully on April 10, 2026 at the age of 84. A man of quiet strength and generous spirit, David spent his life putting God and others before himself — a testament his family and friends will carry with them always.

Born on November 25, 1941, David made his home in Tyrone, Georgia, where he lived for more than 50 years. He was a faithful member of The Rock Baptist Church, where his faith was not merely a Sunday practice but the foundation of everything he did.

David shared 61 years of life alongside his beloved wife, Charlotte Martin Free, who preceded him in death on November 8, 2020. Those who knew them understood theirs was a bond that endured.

He is survived by his children: his sons Mitch Free (Shirene) and Damon Free (Stephanie), and his daughter Jessica Boyd (Jacob); and his six grandchildren, Kelly Rogers, Victoria Knott, David Free, Mia Free, Marti Boyd, and Annie Boyd — each of them a reflection of the love he poured into his family.

In keeping with David's wishes, there will be no formal service. His family invites those whose lives he touched to honor him in the way he lived — through acts of kindness, faith, and care for others.
