“ So sorry to hear of Mr. Bryant's passing. I have great memories of him and my dad, Young Shubert, working together both at Ford and on home repairs/building. It was nice to reconnect with him last year when he and Mrs. Bryant moved to Arbor Terrace where my mom lived until her passing in January. May you find comfort and peace in knowing his faith was in Jesus and may you find joy even during your grief as you share memories with friends and loved ones. My sincere condolences.
