“ I didn't get to know David except through my husband talking to him on the phone. I talked to him one time. They served together in England in the USAF. In 2019 my husband JC McGough was diagnosed with Dementia, so when he called and talked with David's wife I didn't know if he has passed away at that time. I know he is missed by many. God bless and keep you all in Jesus Name.

“ I met David (will always be Amos to me) in 1974. It always put a smile on m face to talk about him or visit with him. Don met him in the late 1960s at a motorcycle track and they became lifelong friends. There is nothing Amos would not do for either one of us and we felt the same about him. We shared many stories over the years. We loved him, Virginia and their family. He was loved and will be missed. Our heartfelt sympathies. There will always only be one David (Amos) Moore.

*I knew David years ago when I, as a teenager worked at the Union City DQ. He would ride his Harley there and hang out. More recently me and my wife lived across the street from he and Virginia in Palmetto. David was a great guy and our hearts go out to Virginia and the rest of the family.*
