“ Just a word to share my sadness on hearing of the passing of Jeff: He was a great guy, and such a pleasant and happy soul. I was in Jeff's high school graduating class, and had known Jeff since kindergarden. I always remember Jeff as a fun-loving and special person -- and someone our class enjoyed through the years. Both of our mothers were teachers (Mine was Mary Ellen Lemke), and when we were in elementary school we waited after school for them to finish their day. My mom was in the high school building, and his mom was in the "big white house"/old FFA-band-chorus-home ec. building across the street. After school , we would go up to see his mom . . . and share some great cookies fresh out of the oven! We sure had fun eating those! I'll always remember those special days. Jeff (and his mother) were such gracious and loving people. I am so sad he had to go so soon. He surely will be missed. I saw him a few times at our high school reunions. He always had that pleasant spirit, and that is the way I will remember him. I'm glad to have had him share some moments in my life. To have known him was a blessing. He was a really great guy. God bless you all. J.M. Ramsey (Lemke)

“ Nancy, Dana and family, My heart goes out to you in this sad time. Family gatherings will not be the same. God must have needed an angel to liven things up in heaven. There will surely be laughter there now!
