“ *Dee Dee will truly be missed not only by those of us related to her but by all whose path her life touched. She cared about the things others were going through so much as reaching out to me two days before God called her home; to ask how I was doing post surgery. Dee Dee loved her family: To Brandon: you were the apple of her eye. She looked forward to every conversation the two of you had and cherished the recent visit she had with you. To Johnny: according to Nana the sun rose and set on you. She loved you dearly and was proud to have you as her grandson. To Tammy and Marsh: Dee Dee appreciated how you both embraced and welcomed her with open arms into your home. How you both were there for her unconditionally and she was grateful for all you did for her. Her memory will forever be in our hearts. Rest in Peace Dear Dedria until our paths cross again. Love Rhonda*
