“ Dee was my childhood friend and I just found our yesterday of her passing. I have many memories of her and her sister, Teresa. We played hopscotch in the street next to their house and played dolls in their house. Their Mother always helped me when I got sick with a sore throat and when the boys picked on me and all ways ran over to the Morris house for safety. Dee will be missed and I will always love her for being such a good friend when I was growing up on Jefferson Ave. May She Rest In Peace With Jesus.

“ Miss Dee:

Up until your very last day, you were always a ray of warm, comforting sunshine. I am so blessed to have had you in my life, especially during those times when I was really low and you were there to help me up. You truly made this world a better place, and its just a little darker now that you're gone. I hope you'll be waiting to greet me when I get to heaven one day. I love you so much, Miss Dee, and there won't be a day that goes by that I won't miss you. :)

Love, Ronni

“ We will forever fondly remember Dee from her service to Cambodian youth at the time she was working at Westside Christian in the mid-1980s. For several months we lived across the street at ACC and had the privilege of seeing her heart. May God's peace be with you all

“ Connie and Roger....and your families. I am so saddened by Dee's passing. She was a wonderful Christian woman, mother, wife, and grandmother. And, she was for me, a great friend and secretary, when I was at Westside. I apologize that we will not be able to attend visitation tonight or the graveside on Tuesday, but our prayers are with you.
