“ Our hearts are absolutely heartbroken with the loss of our dear friend Geno. Not only did our families grow together we stayed friends and we have priceless memories that will stay with all of us forever. It was always so great to run into Geno at Wings-n-Things and catch up on the good ole days when our girls were playing softball together. Even when those days were over he never stopped asking how are the girls. Geno was one of a kind and he will be missed in so many ways. We are so lucky that we had the opportunity to have such a great friend in our lives and we hope he knew that he was definitely a very important part of our family. Dave, Anneliese, Ashley & Ana
