God bless this family as they grieve a lovely woman and educator. Delores and my mother taught together at Bear Creek and she was a good friend to my mom throughout her later years after retirement.

She was my math teacher in 6th grade at Bear Creek Middle School. I had just moved to the US from Mexico and I didn't speak any English. She spoke a little Spanish and always managed to communicate with me. Ms. Dyson was so kind-hearted.

Delores has always been such a presence in my life, even when we were apart. I never thought she would be gone, and it is hard to believe she is. I talked to her Friday afternoon and told her she was my oldest and dearest friend and that I loved her. She has helped me through a lot of difficult times in my life, and I am sure she has done the same for others.

Although I have not seen Delores for 11 years, I always looked forward to receiving her special Christmas card each year that clearly celebrated Christ.

“ Delores was my team mate as we taught at Bear Creek Middle School, but she was much more than a team mate. She was my friend and sister from another Mother. Although we did not see each other that often after retirement, the times we were able to meet was a pick up of our last meeting. We never skipped a beat. I shall truly miss her adventurous, compassionate, passionate and humorous spirit. She shall truly be missed...never forgotten. My love and prayers to the family for God's blessing of comfort and healing during this difficult time.

“ *Delores was my neighbor for 20 years and my friend for more years than that. She was a very active member of my church family, last serving as Worship Committee Chairperson. I watched Delores and Bill for several years as they brought her mother to church and were her caregivers. And how many young lives do you think Delores touched during the many years she taught school? Phone and email conversations between us reminded me that she tackled every problem in a forthright and Christian way. Delores is now gone from our sight but her spirit and influence in all the lives she touched will live on. Rest in peace, my dear friend, and we will meet again.* ”

“ *Bill, Michael and Leslie, we are so saddened to hear that Delores has passed away. She was a very special friend to so many and will be missed by all who were fortunate enough to know her. We have so many wonderful memories of her and many good times shared between our families. Looking at the pictures posted it is comforting to see the full and happy life she lived. Her love of flowers and gardening is well known and I'm sure her gardens will bloom in her honor and memory for many years. She will be remembered as a wonderful wife, mother, sister friend and soon to be grandmother. May God comfort you Bill, Michael and Leslie.
