“ Every since the day I met you de you were so special. You and I were like soul mates. I knew I loved you from day one. I would died for you. If I had one wish in the world it would be to have you back but I know that can't be and that you hurt no more and that you are in a better place. Fly with the angels my love. Can't wait to join you one day. I'm so jealous. I know many ppl were so excited to see you. And I'm so lost without you. I will miss you forever. There's not a minute I won't be thinking about you. Go now hug your mama and tell Chaz, Anthony, my brother and baby Alvin I love them. See you again my bestest friend ever. The world will never be the same. I love you!
