“ So saddened to learn about the sudden loss of Mr. Hudgins. Our family lives in the Goza Woods subdivision and always enjoyed talking with him while we'd be on an evening walk with our dog and he'd be outside with yours. He was always such a nice neighbor, so thankful to have gotten to meet him for just a little while. Just want you all to know that our thoughts and prayers are with each of you during this difficult time. Again, we are so sorry and pray that God's strength will help get you all through this time. If there's anything we can do, we'd love to help. Much Love, The Pratt family

“*Derrell Hudgins made an enormous impact on my life. His preaching, wisdom, and love for his people is rare indeed. He worked diligently to prepare messages that would not only expound on the Bible...but would stir the heart as well. When he preached...church was electric, the messages always motivated me to live for God, love God, and lead others to God. Even though I am more than 10 years removed from his ministry, I remember the excitement he had for God. His love for God, his time that he took to invest in me, and his passion for his people has been an incredibly important part of who I am.*

As I work on staff in the Bay Area I am encouraged by the experiences I had under his spiritual leadership. During messages I preach, it is not uncommon to quote things he said. His ministerial philosophy is mirrored by myself and will continue to because it impacts lives.

Madeline, I want you to know that the Shepherds love you, are praying for you, and we thank you for all the support you gave Brother Derrell.

“ *Brother Derrell was a very special Christian friend of ours. We enjoyed many great years with him for over 30+ years. We loved to hear him preach the Word and what a blessing he was when he would sing unto the Lord. He greatly used the talents that the Lord gave to him. I know he is happy in Heaven and he and Brother Marlon Thomas can bless others in Heaven with singing and praising the Lord. He certainly is our lose but such a wonderful gain in Heaven. We love you, Brother Derrell.*
