“ You will never find a more sincere, honest, or dedicated father than this man. I will miss him and think of him every day for the rest of my life. Me and the kids didn't have him long enough, but we created a lifetime of memories while we were together. Rest In Peace my sweet husband.

“ I taught Dallas in Pre-K and I remember Dewey as always being an very involved parent, he would always volunteer and he helped to put on a veteran's program at our school, which was a fabulous program. He always went above and beyond to help in anyway possible. He will be greatly missed. I am honored to have known him the short time that I did.

My heart goes out to all of his loved ones. He loved his family and our Country with all he had and could give. He always will have my respect and love for the person he was. He lived a live that was a great one and had many happy times. I pray this and God gives you some comfort today and everyday forward when you need it.

“ Dewey was a sincere, loyal friend who I am going to miss dearly. Every time I was deployed he would take time out of his day to make a quick phone call to my family just to see how they were doing. It meant so much that he cared enough about me and my family to check on them regardless of what he may have been going through at the time. He truly cared about everyone and was so proud to be a husband and father. I'm so glad that I had the pleasure of knowing you and having you as my friend. As they say in Hawaii, "Aloha, A Hiki Mākou Hui Hou" (Farewell, Till we meet again) Rest easy brother.

“ I remember Dewey as a brave, willing to help others, kind of person. I remember a time which he carried all the children from our trailer on kingston road in Rome to our grandparents house because the creek overflowed. I also remember me spending the day with him when i was in elem school and he had me carry a plastic bad of stuff around all day and when we got back to the house he told me it was my birthday present (a nintendo gray gun and a large multi-player controller) in which i still have. That being said with the type of person he was i am sure he has impacted several peoples life in a great way. My heart is broken that he is gone.
