Such a beautiful tribute to an awesome wife, mother, grandmother, and friend to everyone whose life she touched! Diane had a heart of gold, and now her golden heart has stopped beating, but her memory will live on, in all who knew her! Rest peacefully my friend...

“ *Dear Garry, Carla and families, we are keeping you close in thoughts and prayers, and we pray that God helps you get through tomorrow and the days going forward. Diane had a very warm smile, and when she came to bike night, Diane would make us all laugh, with her stories. I remember when Diane told me how she felt so lucky to have found Garry! She said, "Kathy, he is just the best husband that I could have ever asked for!" "He does everything for me!" I also remember how excited Diane was, when Carla was getting married! Diane couldn't wait to tell us at bike night, what they did each week, leading up to Carla's big day! We were so happy for the mother, daughter bond that was so apparent between Diane & Carla! Then when Thaxton was born, oh my goodness, Diane was beaming with excitement! There are so many wonderful memories of Diane, and we should all continue to keep her memory alive, by sharing Diane's stories, her great love for people, and continue to share her kindness! 🥰💕💕*

“ *Diane was a gracious, beautiful soul who was dearly loved by my mom and me. My mom Sue has been Diane and Gary's neighbor for many years. Over those years this dear couple watched over my parents, first assisting Mom with my ailing Dad. After Dads passing, they continued watching out for Mom. Let's just say, mom was challenging, especially during this past year. During that time Diane and I conversed a lot... especially when I was calling constantly for her to check on Mom. She and Gary graciously would go over and see what she was up to. More recently, Diane, yet again, was there to pick Mom up off the garage floor and call 911 to get her checked out. Mom adored her and that is saying a lot as my Mom doesnt like many people. Diane was able to interact with her in ways no one else could. In fact, Mom's wish was to have her as her own. . Diane was always willing to give me advice on future care for Mom as well as sit in when we had agencies over for home care. Diane always made me laugh and her smile was contagious. Life at Mom's will never be the same. God has called our earthly angel home. I can't imagine the brokenness you are feeling. Please know that you are all in my heart and prayers. Diane was loved by Miss Sue and her family. She was more than a neighbor, she was my friend.*

“College Park Presbyterian Church will miss our Diane. She always had a ready smile waiting for all of us. She was happy to help others, one of the first to bring a dish, help teach Vacation Bible School, decorate the church for the holidays, or to volunteer for a committee. She was creative, joyful, and a loving friend. She dedicated herself to the family she cherished. I will miss her terribly, but I am also eternally grateful to our dear Lord and Savior for having her in my life.
