“ Phillip and Hannah. I am so sorry to here about your mom. I have some good memories of growing up at your parents house. We spend a lot of summer days playing basketball and listening to Phillip play the drums in the basement. Your mom and dad were always so good to us boys when we came over. Your mom was even nice to me when I took Phillip and we got punk rock haircuts. I lost my dad in 2003 and I know it is a hard thing to handle. If I can help please contact me on Facebook. I will pray for your family

“ I had the privilege of knowing and taking care of Dianne and her family, during Dianne’s recent hospital stay.

*I only knew her for a month, but it felt like we had known each other for a lifetime.*

*She exuded pure and unconditional love for Philip, Hannah and John, and I could tell she was equally loved by them. I also heard many stories of the fierce love and pride she felt for her grandchildren.*

*Her love for and connection to animals (especially horses) was also pure and beautiful. We had many a discussion about the mysteries of the human/animal bond.*

*She went through her devastating illness with more grace, dignity, and courage than I have ever seen, and she will always be an inspiration to me in that respect.*

*I know you are all grieving right now, and feel totally lost and empty. I wish I could take your pain away.*

*Please take some measurement of comfort in knowing that she will always be with you in spirit, and that one day you will see her again.*

*I’m sorry I won’t be able to attend the service, but she touched me so deeply, I promise I will never forget her. She was such a beautiful soul, whose light shone very brightly and purely.*

*Hannah and Philip, I know how devastating it is to lose a parent. One word of advice: Don’t feel any guilt or think any thoughts of “I should have done/not done this, or I should have said/not said that”. You can’t ever pay your parents BACK. You’re not meant to. You honor them by paying it FORWARD, whether that is by raising your own children well, or by honoring your parents with every thought and deed by being a good person. That’s just the way the world is*

*supposed to work.*

*You are all in my thoughts and prayers during this difficult time. I also speak for all the staff on 6 South. We all loved her!*

“ Dear Hannah & Family, It is with great sadness to hear of the passing of your dear Mama, wife and best friend! Although I never had the privilege of knowing her personally, I felt the heart of a wonderful mother just through her love for her precious daughter, Hannah, my dear friend and confidant! I have lived vicariously through the the love and support that the Brooks family shares with their loved ones, coworkers, friends and community. I know that she will be tremendously missed, but I also know that her memory will be manifested through a variety of media, especially her love for horses. You will find her from dragonflies to daisies, rainbows to clouds, mountain streams to rolling ocean waves....you will find her in the eyes of her children and grandchildren as each of you live out the legacy she so generously has passed on! I will continually pray for strenght and mercy in the very difficult days to come and beyond! I know that God will be given ALL the Glory for He is in charge of all things and His Grace is sufficient to meet our every need! God Bless You All!

*My sincere sympathy and compassion, and WITH LOVE I PEN THIS, Cheryl*

“ I would like to say that I was very fortunate to have "Goggy" in my life for the last 22 years. She was a beautiful woman full of life, wisdom, and love. When I think of "Goggy" these are a few things that come to mind: loving partner, homemaker, mother, grandmother, animal lover (especially horses), arts and crafts, loves nature, boating and swimming at the lake, story teller, and giver. Pappa, I know the love and passion you possess for Goggy. I know the pain is like no other you have ever experienced. But, you have a wonderful family and friends around you that will help share memories and laughter to ease the pain. I am here for you.

*Hannah and Philip - I know your heart is hurting. I know the unconditional love the both of you feel for your mother. Both of you have given her the ultimate compliment in fulfilling her dreams of you becoming successful adults and proud parents of her grandchildren. I am here for you.*

*Ashley, Dalton, Callie, and Audrey - I love you guys with all my heart. I am so sorry for the loss of "Goggy". I know how much she meant to each and everyone of you. We have to be strong and we all know what "Goggy" would want. She would want us to Celebrate her life. Live the rest of our lives to the fullest everyday. I am here for you.*

*Keep God close to our hearts and he will light our path.*

“ *Hannah and family - I was only fortunate enough to meet your dear mom one time. It is going on many years ago now that I met her while training at your house. It was only her and I there and she just insisted I stop working so that she could give me a tour of your home and she even took me outside to properly introduce me to the 2 sweet yellow labs out front. => I will never forget how welcoming, kind and inviting she was and how comfortable she made me feel. I am so sorry for the loss of her in your lives and you are all lifted up in prayer. God bless you all!*
