“ Words fail me in times like these...I have been friends with Carey for almost 30 years. We shared a lot of memories and so many of them included Dolly. She treated me like I was another daughter...always giving me hugs and kisses, telling me she was proud of accomplishments and not to do this or that. She was so excited that I FINALLY got married and had a baby, just like any Mom would be of her "daughter".

*But for her actual daughters (their spouses) and grandchildren, I know that this coming year will be so very hard. A year of many firsts without Dolly's smiling face (and wise cracks)...it will be tougher than you can imagine. Please know that I am here for you if you ever need a shoulder to cry on, a friend to talk to, a play date for the kids, whatever it may be.*

*This is not a good bye to Dolly as this was a joyous homecoming for her. So I will just say "see you later"*

“ Dolly and I had so many good times together. No matter what the situation Dolly was not ever going to let any health problems slow her down. No matter how difficult life was for Dolly she always had time for her friends. She loved her family and always made sure she did all she could to make their life better. You were an important part of my life and I will miss you so. You will always be in my thoughts Dolly.

“ I regret that I will not be able to attend Dolly's services, but please know that she will be on my mind tomorrow and the days to follow.

*Dolly and I knew each other for over 30 years. She always had a kind word and quick smile for anyone she met. Although we did not spend as much time together in recent years as we once did, she will always be one of my favorite people. Her warm heart and spirit will be sorely missed.*

*My thoughts and prayers go out to her family.*

“ Dolly was the first friend I met when I moved to Georgia. She was one of the top dirt female bike riders around. Always fun and smiling. We shared having our babies together and then their activities together. She is gone too soon. I'm glad she was able to enjoy her grandchildren. Prayers for Carey and Wendy and her dear friends and church. Linda Huff
