“ Don was my neighbor an friend for many years. We lived on Willow Pond Airport 95-04. Our daughters were and still are great friends. We spent many hours "hangar flying" in his hangar. Through Don I met many great people and aviators. He is responsible for my membership in the Army Aviation Heritage Foundation. This membership has been a great life experience and I am forever grateful. In that organization he was the check airman on the C-7 Caribou, I believe I was one of the first people qualified by Don to fly right seat. Again a great experience. He will be missed by all who knew him.

“ *I've known Don for over 20 years as a member of the army aviation heritage foundation - he was a great guy. I made it to his house one time to see his hanger that he had papered the walls with Bud light case cardboard. Last saw him just a few months ago at the hanger at a BBQ for us old timers.*
