“ *Dona was a strong lady who never complained about her health situation. She was always kind and ready to take an interest in me and other co-workers. She loved her husband and her cat Tabitha and the rest of her family scattered across the U.S. She was determined, smart, graceful and faithful. I called her my Lil' Lady Bryd. Not sure if she liked it but she knew that I loved her. I will miss her very much.* Terie Cox
