“ *The world lost one of the greats this week.

Uncle Don was one of the Men I respected the most.

I am the person I am today because of Uncle Don.

Heaven just got a little more entertaining this week.*

“ *To the Bass Family,*

My deepest sympathies to you all. Uncle Don taught me many things in my youth and helped form me into a strong man. I learned a lot on our camping trips and have some very fond and funny memories. I loved him very much and I am so sorry for your loss.
