“ *My heart goes out to Betty and the children. It was my pleasure to be their Pastor and to share in their life. Don was so much fun to talk to and I enjoyed our conversations. Betty, you were a great companion to Don and he to you. My prayer is that the Holy Spirit will be with you and the children over the days ahead.*

“ I sure will miss Mr. Don. I sat on the back seat at church with him and Mrs. Betty. I so enjoyed our little conversations and he always looked so sharp in his suits that he had on. He just always looked squeaky clean all the time. I could tell he really loved Mrs. Betty too and how she always fixed his lunch everyday for him at work. He left us way too soon. Hugs and prayers to the family.

“ I have been Don’s hair stylist for many years. He was the kindest gentleman I’ve ever meet. He was an example of what a husband, father and man should be. He brought me candies and chocolate bars so very often just because he wanted to bring me something sweet. He made sure Ms Betty’s delicious treats came my way too.

As he aged I set aside extra time so that I could hear his stories and take my time with him because I knew someday soon I would not have this special man share his beautiful life with me. He loved his children and grandchildren very much. He proudly spoke about the times the spent together. Fishing with his son. Motorcycle riding with his daughter. His love for Betty and how there love story began. I will miss him tremendously and I will hold close to my heart the time we spent together. He is another friend we have in heaven awaiting us and sending you and I his love from above.

I was so sorry to hear of Don’s passing. What a gentleman he was. I didn’t know him well, only through church. Don and Betty’s life was truly a “Love Story”. You will be missed by all.

“ I have so many fond memories of my Uncle Don. I will never forget how kind he was and how he always brought me my favorite candy. When Sarah was born he brought me a frosty. It's funny because his daddy, my grandpa, used to do the same thing. Love y'all and my prayers are with you. Praying for comfort.

“ Dear Donny

When I first came to work with Clean cut you were the first person I got to know. You told me stories about how you and Betty met and how you were always in love with her. You also shared stories about your fishing trips with your son Phillip and I could

Tell by the way your face would light up that this was one of your favorite things being on the lake with your son and catching fish.

I do want to say that we became very good friends over the years.

You went out of your way to help people not just some times but when they needed you. I believe There is a very special place in heaven for people like you I always have. Donny I will miss you coming to my desk and asking me if I have time to print a picture of your sweet grand child. I will miss seeing you when I walk by your bench at work and can't not stop and talk to you about what you and Betty did for the weekend. I will miss telling you goodbye each day and asking you if you remembered your coffee cup but most of all I will miss your smile.

You were one of the good ones and we will never forget you

Love,

Eve Anderson
