“ My thoughts have been going back many years and They have gone back to a time when Don was such a part of our lives. Gene and I both loved him and he really meant so much to Gene. I Had lost contact over the years and hadn't seen him much but he will always have a special place in my heart. My sincere thoughts and prayers go out to Donnie and the family, especially Jackie, in the loss of Don.

“ So many wonderful stories of you Don. We will miss hearing them. From your love of garage sales, vacations, boat motors and so many more. The most thing I will remember is how much you loved Jackie. I will truly miss picking up the phone and having a short conversation with you before getting Jackie.

“ It is almost beyond belief that you have left us my friend. Don and I had been friends for over thirty years. He was truly one of a kind. I can still remember him being the first driver to work every single morning and I would kid him about it regular. You will truly be missed my buddy. Maybe I'll take your advice and start thinking about slowing down now. My deepest condolences and prayers for you Jackie, Mr. Don, Sr. and the rest of the family.

“ I did not know Don personally, but I know his Dad, Donnie, who I consider to be a good friend. I worked with Donnie at Fulton County Schools and go to Mount Vernon Baptist Church with him. I am so sorry Donnie, for your loss and the rest of the family.

“ Don was such a good and dear friend. He and I met years ago when he and I delivered to the grocery stores in Douglasville. He would always call me "Mr. Randy." We would share things that happened to each over the week. It was always funny to hear his response. He had a unique perspective. I was saddened when I found out he was retiring but resolved to stay in touch. And so I have been blessed for 2 years chatting with him. It was a blessing and I will miss him. Goodbye my friend, Randy
