“ *I will always remember Donnie since we were children. Comical as they come. The most incident that stands out is the day he didn't want to go to school, everyone was looking for him and come to find out, he was hiding in a tree he climbed and watching everyone holler for Donnie. I'll love you and miss you always. I'm sure your mama and daddy Nancy and Larry, will strongly remember this too. My prayers are with your family during this time of grief. Love always, cousin Darlene ❤️.*

Donnie would always bring a smile to everyone's face and make you feel better if you were down about anything. He would stay all day and bring the sunshine into every room. He was definitely a family man, everyone loved him. Fly high and walk those streets of gold. Your loving cousin, Darlene.

“ *Donnie Carroll has been a part of my life for as long as I can remember. He was a person larger than life and he will forever be the other half of my sister's heart. Such a gentleman and so very nice. Prayers for Donnie's family and friends. He truly was a very special man that has left this world far, far too soon.*

He will forever be missed by all that loved and knew him.
