“ *To Nancy and family, Mr. Don was one of my all-time favorite clients. We worked together for many years and shared a deep love of the outdoors. I enjoyed the time we spent together talking both business and deer hunting. I'm sorry to be out of town currently and unable to attend the visitation or funeral service. Please know that you are all in my prayers and take comfort in knowing that we will see him again one day!*

“ *I remember many wonderful conversations with Don about the Lord he loved. When I led a revival at his church we spent a lot of time together praying and fellowship ping. To Nancy and all his family we send our love and pray for your comfort. This separation is only temporary. Soon we shall join Don in that glorious place called Heaven.*

“ Mrs Nancy, Mrs Cindy and family, we are sorry to hear of Mr Don’s passing. I hope you can find peace during this tragic time. Mr Don was one of the first people that I met when we started going to East Newnan. And there wasn’t a time that I saw him that he didn’t speak to us and ask how we had been doing. I appreciated that more than he will ever know. I truly hate that I didn’t take the time to stop by and sit with him like he asked me numerous times. He will be missed.
