“ *Uncle Don was a very fun loving great family man. I didn't get to spend that much time with Don but what little I did will be cherished. Don gets to play the most glorious golf course ever made without the earthly pain he has endured. That's and prayers going to his family and friends.*

“ Where to start? My wife Melanie and I have known Don and Janice for many years and have spent lots of time together. With Don I have been blessed to accompany him on many golf outings etc. One common thing about being with him is that they always included lots of laughs. To say that he would strike up a conversation with anyone, anytime is an understatement. He would just see someone in a yard as he was driving by and pull in to talk to them. Some of those stories will probably come up at the service. Surely going to miss him, he left behind great memories for all who were fortunate enough to know him.  
Janice, we love you and are here if you need us.
