“ Queen Elizabeth II said it best that, " Grief is the price we pay for love."

Don and I worked alongside each other on the "pulse bench" at Hangar One located between the runways at then Atlanta International Airport. This was back in the early 1970s. I always enjoyed working with him. Always easy to get along with. He was a Mensch. Look it up. You'll agree. There are other stories. Look me up. I'll share them with you. Lynn Bradley Newnan GA.

“ Don and I were bench avionics technicians at Hangar One when it was located at Hartsfield Airport long before the way it is now. I have stories. Good times. Don was also a DJ at WPLO back in the day. A voice truly made for broadcasting. RIP friend. Lynn Bradley
