“ *I heard about Don and I want the entire family to know that you are in my prayers during this time. That Big Light that shown through him has gone from us for a while. His love of family and others, generosity and kindness, humor and what stories he could tell are wonderful memories we have to remember him by. Don and my brother, Lionel, grew up together and he had stories about that time that I did not know, but I do now. He was a friend of our family for many years. I want you to know that I pray for God to hug and comfort you with His Peace.*
