“ *Dearest Connie and family,  
I remember your brother and how sweet and kind he always was.  
I was taken back in time when I read about Donald.  
Many warm memories Connie of our school days and the memories we have.  
Your brother will be missed by so many that had an opportunity to know him. I feel blessed that I was one of the many.  
Connie, emails are always given along with names when one lights a memory candle.  
Please ask Tim Parrott, or someone in the office, to share my email address with you and one day when you are up to it let me hear from you. I'd like that immensely.  
My heart is with you and the family my friend.  
God loves you all.  
Respectfully,  
Jayne Bennett*
