“ Kirby was my fellow classmate in grammar school and high school. I remember Kirby as a shy and courteous gentleman. I wish him peace and freedom from suffering. For the family I wish a future of happy memories whenever you think of Kirby.

“ Kirby was a fine example of a Christian brother to us. He was always there throughout our lives for every event good and not so good and he supported us with his acceptance, and unconditional love. He helped us through some difficult times and we counted on him for wisdom and honesty. He was a man of honor and loved the truths in God's word. He was a mighty man for God and fought the good fight for the faith. We admired his quick wit and humor and fun loving ways. He always had a heartful of laughter and love and wisdom to pass around. He cared about others more than himself and displayed his inner most thoughts famously and skillfully. Quite often he would say "Absolutely" and "No doubt about it" further testaments to his positive attitude and philosophy on life. No matter what he was facing or up against he wouldn't let you see him down or discouraged. We don't have all the answers to the questions why in life but We know in whom we believe. We believe that God knows what his doing. We will always celebrate in fact that Kirby had a life well lived and he loved God and his country and All of us to his utmost ability. Our deepest heartfelt love and prayers are with you Gail, Shannon, Brandi & Delana as they are with all who loved and respected Kirby including the entire family and friends today and in the future.
