“ I just found this out today after trying to call her. I just talked to her in May before we left to go out west in May. We just got back July 12. I'm so in shock that I have no words right now. I will write something later. I'm so sorry Dave and Daniel. Daniel, I know you were the light of her life and she loved you so very much and Dave she loved you too. She was one of a kind and I will miss her greatly. All our crazy phone calls. She was a hot mess with a big heart that she didn't let others see much. I'm crushed.
Love, her cousin, Kathy Butts
