“ Donna was special. We were best friends in high school. So many great memories (4H, band, softball, setting me up on my first date, double dating to the prom, going to Cowboys just to name a few). Although life lead us down different paths we always picked up our friendship where we left off. She will be missed. My love and prayers to the family.

“ Dear Mr Cliff and Ms Manette,

I am so sorry to hear the news about Donna's passing. I just saw her about a year and a half ago, while working in the ER at Newnan Hospital. She told me she was working at the airport as a TSA scanner. She seemed to be enjoying her work. I had not seen Donna since being in high school with her. I kept thinking how good it was to see her after so many years had passed. Also, I remember all the times we were in 4-H together doing the horse and pony club. I also remember all the band practices we had throughout the years of high school. Donna was so energetic and fun to be around. She always had such a positive outlook on life. I certainly will miss her and her quick smile.

I have some pictures of her to send to you, if you would send me an address. I hope they will bring back some good times for you to remember her by. My sincerest condolences to you and the entire family.

“ You are a beautiful family! May you find the courage to face tomorrow in the love that surrounds you today. Special love to all of you. Lisa
She was no longer wrestling with the grief, but could sit down with it as a lasting companion and make it a sharer in her thoughts.
