“ Bill, Sorry to hear about Donna. She was such a classy lady. I remember ya'll bringing her muffins to the Relay for Life events when Fairburn Banking Co participated. Donna was such a good cook and we always looked forward to seeing her. Will be keeping you in our prayers. Let us know when there will be a service.

“ Bill, I am saddened to hear about Donna's passing. I have so many memories of the good old days at Rich's. I am thankful to have called Donna my friend. She was soooo funny. Donna loved fashion and she always looked as if she had just walked off the cover of Town and Country magazine. She was a "fashion plate." I don't think she ever wore the same thing twice! She could also cook and bake. I have many of her recipes.

*Donna adored you. She was the daughter any woman would be proud of and blessed to have. What wonderful care she took of her Mother! She was by my side when my brother passed away in 1984 and through many of my difficult times. She was a true friend.*

*Bill, take care of yourself and please let me know when the memorial will be.*
