“ Aunt Donna you will be missed by so many. I know you are up there with nanny making her laugh. I will never forget when we was at dairy Queen and you grabbed your heart and said " I'm coming to you Elizabeth" . Nanny peed all over herself. I will never forget all the memories we shared good and bad. You was in the delivery room when my daughter was born. I do love you very much Aunt Donna and we will see you again.
