“ Harold, Judy and Greg, i haven't lived in Fairburn since 1996 but your family has always been in my heart. Your house on Senoia road was a haven for me. There was laughter, tears, my first beer (thanks Harold) and never ending support. Your family was my social network and my support during some incredibly difficult times. Every time I entered your front door I knew I was also at home. I hope that as a thoughtless teenager I was able to show some appreciation. I left Fairburn but I never stopped loving all of you. I am so sorry for your loss. Donna was a true lady and I know she is mightily missed. Love you all, Beth

Harold, Judy, Greg, I am so sorry to hear of the lost of Donna. She was always a second mom to me. I will always remember the fun we had sitting on the front porch on senoia rd. She was a true lady. She will always remain in my heart.

“*Mama there are no words to express how grateful and blessed I am to have you for my mama. I will be a better person because of you. You lived your life with dignity, love, fatefulness, dedication to what was right in life and took up for your children no matter what we did. If we were wrong you got that taken care of too, and we never made the same mistake twice. You were an expert housewife, wife and held down a job with Southern Bell for 25 years and 3 children. Your love knew no bounds, including our friends that needed help. You made our house a home and all our friends were welcome. Boy did we have fun when daddy was out of town. LOL I will miss you for the rest of my life and will always ask, "what would mama say" I am thankful you have no more suffering. You still live in my heart, forever. I love you Judy Lynne (as you would tease me.)*
