“ Dearest Keith, it hurts my heart so much to know you are no longer with us. You were always upbeat and nice to hang out with. I'm so happy that you and I saw each other recently during the Neighborhood Yard Sale. I wished I would have taken a longer hug from you my friend. Thank you for the memories of young 20 year old's running the street with our "hot rods"! You are AWESOME! I will miss not hearing that crank sound from the power engine coming down the street! And yes, the Camero is something to be scared of! LOL Until we meet again my friend, say hello to your Father. May you find peace and love in our Heavenly Fathers arms. Love you my friend, Lisa Byrd.
