“ I worked with Don for many years at Atlanta Gas Light Co. where he was not only a coworker, but a friend. Don was always enjoyable to talk to, and no matter what the topic of conversation was (with Don it could be anything), it always had some "entertainment" value. Don will be missed.
May god bless him and his family.

“ So sorry of the passing of Don. He always made everyone smile. He never met a stranger. I will always remember all the trips he took with us on his motorcycle. He is finally in a peaceful place with no pain. My heart goes out to his family.

“ We're very saddened to hear of Donnie's passing. We knew he wasn't well at Tony's memorial service, but hoped he'd get better. I look back at our little Red Oak neighborhood and all the friends there, the pine cone battles, the playhouse, the trail bikes, the spats Judy and Donnie had and have to smile. We remember all the family with love and wish you all better times yet to come.
