“*Mary Beth and I were saddened by news of Aunt Doris' death. We happened to be in Sharpsburg, on our way home from a holiday visit to our daughter in Anchorage, when we got the news! We came by Tuesday to pay our condolences to the family. Ronnie and Linda and Charlie were there, but we did not get to see other family members. Our prayers are with you all in this time of mourning!*

*Love, Ben & Mary Beth Walker*

“*Dear Brook Family,*

*I saw the announcement of your Mother's death today. Let me express my deepest sympathy. There were many good memories from Bethel Baptist. We enjoyed the fellowship with your entire family. Your parents as well as mine (Roy and Grace Teal) were charter members of the church and were a vital part. Take care and God Bless.*

“ I want to let the whole family know that they are in my prayers. I loved Mrs. Brook just like a mother, she practically raised me from 12 years old to 17 years old. Kay, I know what you are going through, it feels like we are orphans now. I love you, and will see you soon.

“ This message is for Kay especially because she was such a good friend to me in school. I am sorry for the entire family but I wanted to tell Kay that I have lost all my family and I know how awful it is. I am so sorry for your loss and I will pray for you. My mother,daddy,and all my relatives almost are gone so it is a sad thing to go on without them. Remember though that they are with God now, to be absent from the body is to be present with the Lord and that is what we can trust in. Love you. Debra
