“ I used to wait on Harry long ago at Hilltop when I waited tables. Since then I would run into him around town. I will miss his smile and great sense of humor! You have my sympathies. - Heidi (Wagner) Springsteen

“ My sympathies go to his family. Harry was my cousin who I normally looked up when I got to Cumberland. He will be sorely missed by all that knew him.

“ Dear Anderson friends, it was a shock to learn of Harry's passing. We were in Denver all of the week of June 21st so didn't hear about this until now. If I had been in town, I certainly would have attended the service. My sympathy goes out to each of you in this loss. Harry and I did share a bit of humor on our occasional visits in recent years. He was a strong person and kept a nice yard and took good care of the area birds.
