“ The best part about Miss Dot was simply everything! She was kind, caring, loving, giving, and always very silly and funny! Our family fell in love with her from ‘hello!’ We were so blessed to be able to know that our boys were so loved and taken care of when they were with her! One of our favorite memories with her was when she went on vacation with us for spring break! We asked her where she wanted to go and she said

California! She wanted to hang off a trolley on the streets of San Francisco, eat a gyro hanging her legs off the bridge in Sausalito looking at the beautiful Golden Gate Bridge, eat clam chowder for the first time on the wharf and ride in a hot air balloon! We arrived at Yosemite National Park to beautiful sunny 75° weather.... the following morning we woke up to a winter wonderland! She didn’t ask for gloves to keep her hands warm, but insisted she needed a red umbrella to look beautiful against the new falling snow! You did it all so perfectly Miss Dot!

She was absolutely amazing to go on vacation with for sure! We all laughed and created so many memories we will always cherish! We love you, Miss Dot! You will forever be so very special in our hearts! Jackie, David, Ryan, Sean ❤️
