Remembering what a great sense of humor Doug always had and was always a fantastic buddy!
One of his favorite sayings always was "we need to give that thing a shave and a haircut!"
He will be deeply missed.*

“ *I only knew Doug briefly for the 3 years I had lived at the property across Stallings Road and was able to work with for a short time as well. In that short time, I was able to see what a nice guy he was. Me and him at times, would start singing in unison to some old Journey songs and anything else that would be on. He would say, " Journey, the best band ever!" Doug was a great guy! Till we see each other again my friend!*

“ *The memory that I have to share is that Doug always had a smile on his face. He and Linda first met at my Halloween party (her in a cow suit. Utters swaying! Lol! He was attracted! They were together ever since. He fell in love with the beautiful person that she is. He is so loved and will be forever missed. I will miss his smile and his beautiful singing voice. What a personality he had! I love you Doug and will miss you until we meet again.*
