“ *I would like to send my sympathies to you on Doug's passing. I learned about this upon my searches for Robbie. I was a neighbor in the 60s and got to know the family. I remember him as a tall smiling good man. Would it be possible to send me any info to find Robbie. Thank you. Again.... I am very sorry to hear about Doug.*

“ I would like to express my deepest sympathies to the family and friends of my uncle Doug. Scott and Eric especially I always thought your dad was the coolest. I know after our formative childhood years we didn't get to spend much time together. But those few summers that I got to spend with you and your dad all those years ago were great memories and learning experiences. I was lucky to have that extended family. I hope he passed in relative peace And you all had a chance to say goodbye. I know he and my father we're at odds in their later lives and it is a shame, it was not for lack of your dad trying. Maybe they can make peace with each other now. I on the other hand have nothing but good memories of him. Again you have my sympathies, he has my prayers with love and admiration I hope we can all find peace and acceptance. Luke Roth.
